Pursuant to RSA 105:13-d, V, the Department of Justice is required to file a quarterly report with each of you containing the following information:

(1) The total number of officers on the exculpatory evidence schedule.

There are presently 265 officers on the exculpatory evidence schedule.

(2) The number of officers who were sent notice under paragraphs II and III:

254 officers were sent notice under paragraph II of RSA 105:13-d.1

RSA 105:13-d Exculpatory Evidence Schedule Compliance Report Page 2 of 2

Five officers have been sent notice under paragraph III of RSA 105:13-d.

(3) The number of officers whose names have been disclosed to the public under each paragraph of RSA 105:13-d:

The names of 174 officers have been disclosed to the public pursuant to RSA 105:13-d, II.

No names have been disclosed to the public pursuant to RSA 105:13-d, III.

(4) The number of officers who have filed lawsuits under this section, including the case name, number, jurisdiction, and corresponding field on the redacted exculpatory evidence schedule indicating the officer who has filed the lawsuit.

72 officers have notified the Department of Justice that they have filed lawsuits under this section. Corresponding case information is included in the attached redacted exculpatory evidence schedule.

It is our understanding that the superior court system has taken steps to seal the lawsuits that officers have brought pursuant to RSA 105:13-d in their entireties. See RSA 105:13-d, V ("Nothing herein shall preclude the court from taking any necessary steps to protect the anonymity of the officer before entry of a final order."). Court staff has advised us that these cases have been titled using pseudonyms (i.e., John Doe or Jane Doe) when the cases are filed and the court records for these cases are secured confidential files. We further understand that the cases do not appear in the court's kiosk look-up or in the online case portal. In order to ensure that we are treating these cases consistent with the court's sealing procedures, case information on the attached redacted EES has been redacted, including case name, number and jurisdiction. We continue to seek clarification from the superior courts regarding the sealing of these cases, and will release additional case-related information as permitted by the courts.

(5) The number of people who are temporarily on the nonpublic exculpatory evidence schedule pending any grievance process:

11 officers are presently on the temporary nonpublic exculpatory evidence schedule pending any grievance process.²

Sincerely,

John M. Formella Attorney General
